## Shout Outs to our **AWESOME** Support Team

*"The response to my issue was very quick. I was expect to hear something in the next 24 hours after filing my issue. However, they responded within the a few hours. The people that helped me had positive attitudes and came across as if they genuinely wanted to help. I haven't had any negative things to say about the customer service of Korcett to date." (James Lankford of Mazza Grandmarc)*

*"Jesse was very helpful in dealing with my unique and complicated situation. It was solved quickly and as efficiently as possible, and it was as positive an experience as one could hope for in tech support." (Jack Quigley of University Village UT- Dallas)*
